

Amendments to the Specification:

Please amend the Specification at the BRIEF DESCRIPTION OF THE DRAWINGS as follows:

At page 5, lines 16-19, please amend the following paragraphs as shown:

~~Figure 2A is a photograph showing DDE236 in the composite binding pocked model. The Wing 2 region is shown on the right side of the figure.~~

~~Figure 2B-2C are X-ray crystal structures of DDE 236 (B); and DDE241 (C). 30% probability displacement ellipsoids, T=20 C.~~
